### Happy New Year!!

A new year is upon us which means new skills are upon us as well...

We will be focusing on last names, birthdays, lower case letter recognition along with many other important skills.

**We are asking that there be no more LUNCH-ABLES brought in, they create large messes between the cheese shreds, liquid cheese, sauce, etc. for not only clean up after lunch; but the packaging is very hard to open and when the teacher assists the contents end up all over our hands and clothing that we need to work in for the remainder of the day. We kindly ask there be no more Lunchables brought in after the New Year...**

### Important Dates:

- 1/2/23: Closed
- 1/16/23: MLK Open
- 1/31/23: Miss Diane Library
- 1/6/23: Simple Italian Recipes are due!

BE AN AMERICAN...details to follow next week!**
